

Privacy Policy

1. We comply with the laws and regulations or other guidelines regarding the handling of personal information formulated by the Japanese government.
2. We will not use your personal information beyond the scope of the purpose of use that we have previously specified.
3. We will not provide third parties with your personal information unless you give your prior consent, other than as specifically set forth in this Privacy Policy.
4. If any inaccuracies in use of personal information, we will make an investigation and respond appropriately to requests or complaints from our clients.
5. We will maintain appropriate safeguards to protect your personal information from improper disclosure or modification and from unauthorized access.
6. We will at all times assign responsibility for protection of personal information and development of our internal systems and policies in order to help ensure appropriate management of personal information.
